Anniversary

RYAN'S QUEST VALENTINE BALL

beyond the stars

Saturday, February 10, 2018 7 pm - Midnight
Hyatt Regency, Princeton

#RQVBALL2018

7pm Cocktail Reception | 8 pm Dinner and Dancing | Over 500 guests will Attend | Silent Auction | Performance by Brian Kirk & The Jirks

OUR MISSION

Raise awareness for Duchenne muscular dystrophy (DMD) with the purpose of allocating funds for research that has the greatest potential of finding a treatment or cure for this disease.

ABOUT DUCHENNE MUSCULAR DYSTROPHY

This disease is the number one lethal genetic disorder of children worldwide. It is a progressive muscle disorder that causes the loss of muscle function and independence. Boys affected by Duchenne, lose the ability to walk between the ages of 8 and 12, require respiratory support by their late teens and survive only into their twenties.

SPECIFIC AREAS OF INTEREST

Ryan's Quest is primarily focused on supporting research for near term, potential therapeutics and better testing platforms (tools) for development of Duchenne compounds.
